

# Danny Goldberg's Stage Intro

**NOTE:** We've crafted a short, high-impact intro for Danny's sessions. Please use this script instead of a full bio when introducing him.

## Introduction

Our next speaker is Danny Goldberg.

Danny is a workplace performance strategist and serial entrepreneur who built an eight-figure global business by the age of 24.

That experience sparked a decade-long pursuit to answer one question: What makes a team not just succeed, but truly thrive?

Since then, Danny has helped organizations across industries solve today's toughest people challenges: burnout, disengagement, and high turnover. His High-Performance Operating System™ gives leaders a practical framework to build the conditions where people do their best work and never want to leave.

Please give a big, warm [Insert Event Name] welcome to Danny Goldberg!
